ABOUT SARVASUMANA

Sarasumana is a Sanskrit term which means good mind/good mental health for one and all. The main aim of the association is to unite the mental health sciences with biological and health sciences to create an interdisciplinary approach to facilitate a sound mental health to all mankind.

Mental health areas like counseling, psychotherapy, psychiatry, clinical psychology, parapsychology & social work can be linked with biological and health sciences like biotechnology, public health, neuroscience, computational biology, computational neuroscience, forensic science, biochemistry, medicinal chemistry, ayurveda, yoga & homeopathy for this accomplishment.

GUIDELINES FOR ABSTRACT SUBMISSION

Title page of the abstract should include author's name, title of the paper, suggested sub-themes, designation, institution affiliation, mailing address, contact numbers and email-id. Abstract should be sent to info@sarvasumana.in. Guidelines for the preparation of full paper will be communicated along with the acceptance of the abstracts. Selected papers will be published in the International Journal of Public Mental Health & Neurosciences (IJPMN) ISSN : 2394-4668.
